Audit Graduate Recruitment 2016

If you are still a student in your last year of study (either studying for bachelor or master degree), you can already apply and follow all selection steps, with the aim of joining us after graduation.

Audit Services

Our approach is to understand a client's business, the risks it faces, and its internal controls. Based on our understanding we assess the risk of material misstatement of the financial statements so that we design effective audit procedures. Our professionals bring a comprehensive methodology that leverages the firm's extensive professional and technical resources to our clients' financial reporting process, helping them meet the growing demand for enhanced disclosure and accountability.

An Audit Assistant in our team:

- Develops an understanding of the Deloitte audit approach, methodology & tools;
